Final Poster Proposal

Veteran Status vs. People Below Poverty Level

I will be getting data from the American factfinder (https://factfinder.census.gov/faces/tableservices/jsf/pages/productview.xhtml?pid=ACS_16_5YR_S1701&prodType=table) for Population with Poverty Status in the last 12 months. I got my information on Veteran Status from American Factfinder (https://factfinder.census.gov/faces/tableservices/jsf/pages/productview.xhtml?pid=ACS_16_5YR_B21100&prodType=table). I will have an interpolation map for both data sets to show the highlight where rate of Poverty and Veterans correlate. I think there is a link in Veteran and poverty.
